(a) the number of requests for confirmation of berths from the headquarters quota (Rail Bhawan) from the Hon'ble Members of Parliament received during January, 1997 till date;

(e) what are the steps taken by the Ministry to see that only proper and valid requests are considered?

THE MINISTER OF RAILWAYS (SHRI RAM VILAS PASWAN): (a) and (b) A large number of requests are received from various quarters including MPs for release of accommodation out of a limited number of berths earmarked as Emergency Quota and are dealt with on day to day basis. No statistics of requests received from various quarters including MPs are being maintained.

(c) Requests received from the Members of Parliament for release of berths/seats out of Emergency Quota for their own journeys and in favour of their family members are mostly honoured.

Requests of Members of Parliament for allotting berths/seats from Emergency Quota for journey of others are considered on merit depending on factors like status of passengers travelling, nature of urgency like travelling on Government duty, bereavement in the family, sickness, etc.

Since a large number of requests are received from various quarters and are dealth with on day-to-day basis, it is not feasible to accommodate all such requests.

(d) A few take requests have come to notice.
